

<Billy, 10 year-old child>

Why are you wearing a seat belt?

<Sarah, 10 year-old child>

I *always* buckle my seat belt... every time I ride in the car

<Billy>

Every time? We're just going down the street to the store?

<Sarah>

Yeah silly! It's *more* dangerous when you're closer to home, right mom?

<Sarah's Mother, From front seat>

That's right, three out of every four car crashes happen close to home. That's why it's important to *always* wear your seatbelt... no matter how far you're going.

<Billy>

I guess I should wear mine too then... Is that why you always sit in the back seat Sarah?

<Sarah>

Uh huh... because sitting in the back seat is safer if we get in an accident.

<Sarah's Mother>

Yep. Since most car crashes happen from the front, anyone under 13 is a lot safer sitting in the back seat.

<Billy>

You know, I saw Chad's mom dropping him and Tyrone off at school the other day, and *they* were both sitting in the back seat too!

<Sarah>

See?

<Sarah's Mother>

And Sarah and I made a deal, Billy. If she sits in the back and wears her seatbelt, I let *her* choose the radio station...

<Sarah>

<Interrupting> And *she* wears her seatbelt too!

<Sarah's Mother>

<Laughing> That's right!

<Billy>

That's cool! I'm gonna see if *my* mom will make that deal too!

<VO Male>

If you're under the age of 13, the safest place to be is in the back seat with your seatbelt fastened... no matter how short of a trip you're taking. Tell your friends... and remember to 'make it click!'
